FREIGHT CLAIMS

All claims for merchandise delayed, lost or damaged in transit, are the responsibility of the consignee.

All merchandise is carefully inspected before packing and is packed in an approved manner when it leaves the factory. When accepting shipment, any missing cartons or visible damage must be noted on the receiving ticket before signing. Any claims for concealed damage must be filed with the delivering carrier.

Failure to properly file claims may mean refusal of the claim and subsequent loss to the consignee.

5 SEASON PROTECTIVE WARRANTY

Shear Display Christmas decorations are warranted to the original buyer and will be free from defects in materials and workmanship. Protection is extended to the original buyer for five (5) Christmas Seasons (under normal conditions of use) after original date of shipment and this warranty is expressly in lieu of all other warranties, expressed or implied.

Under this warranty, the obligation of the company is limited to repairing or replacing on a prorated basis, at its option, any component found to be defective.

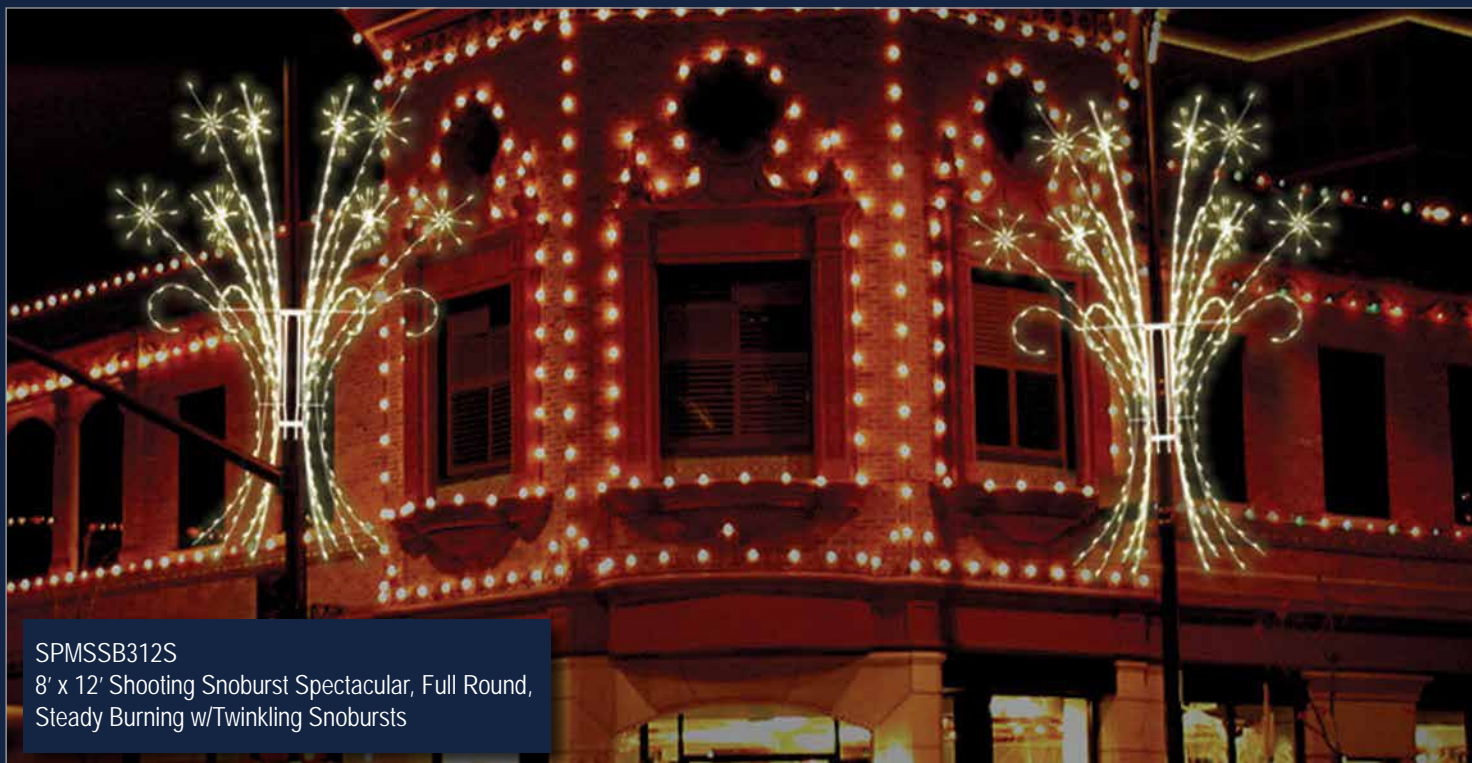

Cost of shipping and labor to install are not included in this warranty. This warranty does not apply to banners, light bulbs, electrical shorts or damage caused by weather or the buyer.

Manufacturer is not liable for shipment lost, delayed or damaged in transit. Claims must be filed by the purchaser. Specifications and prices in this catalog are subject to change without notice.

5 pt. Star
Tree Topper

“Spiral” and “Swirl” Trees feature one of our three methods of construction. A pipe extends from a heavy duty “wide” base to a top fitting. Chains from this fitting extend in a cone shape to the circumference of the base. Garland and lighting are applied either in a “Spiral” or “Swirl” pattern. For shipping, the pipe is removed, then installed at your display site. An installation tool is provided.
